Dear Girls and all of the people who love and support YOU,

The 2010 Summer Camp Season is rapidly approaching, and I can’t wait for you to see what we have planned! It is our pleasure to announce a full season of both resident camp and troop camp programs at Rancho del Chaparral, and primitive High Adventure troop weekends at Camp Elliott Barker.

For those of you who have not been to a Girl Scout Camp before, this is a perfect time to embark on a new adventure. For those who have already experienced the fun and excitement of camp, we look forward to sharing more camp experiences with you this summer. Our burros are missing you and can’t wait for everyone to come visit them. We will also have an array of horse camps, canoe trips, arts and crafts, campfires, nature walks, hikes and backpacking—oh, and don’t forget the s’mores!

You can start planning your next camp journey now—just take a peek at some of the programs we have in store, and make sure to register early so that you will be guaranteed a place in the camp program of your choice.

Looking forward to summer,
Denise Dockendorff (a.k.a. Luna)
Camp Director

Camp Accreditation

ACA Accreditation means that Rancho del Chaparral submitted to a thorough (up to 300 standards) review of their operations—from staff qualifications and training to emergency management—by the American Camp Association (ACA). American Camp Association collaborates with experts from the American Academy of Pediatrics, the American Red Cross, and other youth-serving agencies to assure that current practices at the camp reflect the most up-to-date, research-based standards in camp operation. We and ACA form a partnership that promotes summers of growth and fun in an environment committed to safety.

Your Support Matters!

Girl Scouts, their families, and friends of Girl Scouting support resident camp through their participation in the Girl Scout Cookie Sale, Fall Product Sale, and our local Family Partnership Campaign—HUGS (Help us grow strong). New Mexico Trails subsidizes a portion of the cost of camp programs in order to offer high quality Girl Scout program to girls. We also offer camperships to help girls experience camp at little or no cost. If you would like to find out more about supporting girl camperships, please call our Fund Development Department at 505/343-1040 and help make a difference in a girl’s life!

Troop adults are responsible for participating with and supervising girls, but don’t worry. A number of activities aligned with Try-Its, Badges and Interest Projects are planned by camp staff and led by counselors. You may choose to enjoy scheduled activities led by camp staff, or just let staff know that you won’t be joining in if you have other things to work together on as a troop, such as badges or your own activities. A general troop program schedule will follow registration.

During troop camp sessions, girls will have the opportunity to participate in a variety of activities geared toward their age-level in scouting such as singing songs, playing games, hiking, arts and crafts, outdoor cooking, archery, stream exploration, and campfires. Troop camping is a great way to introduce the girls to the wonders of Girl Scout camp. Enjoy all camp has to offer while having a blast with the whole troop!
