The series “Running on Empty: America’s Energy Crisis” airs at 8:30 a.m. each Wednesday in June, starting June 5. Recipient of a New Mexico Associated Press Broadcaster’s Award and a National Headliner Award from the Press Club of Atlantic City for excellence in broadcast journalism, this four-part series examines energy in America, probes the reasons for America’s continuing energy crisis, and looks ahead to solutions for our energy future.

“Our decisions about energy will test the character of the American people and the ability of the President and the Congress to govern this nation. This difficult effort will be the ‘moral equivalent of war’. . ..” With these words President Jimmy Carter declared war on the nation’s energy crisis in 1977. A quarter of a century later we are still facing our energy woes, as spotlighted by President Bush in his first State of the Union address, January, 2001: “We have a serious energy problem that demands a national energy policy.”

What’s changed in the past quarter century? “Running on Empty” provides answers through interviews of energy experts, political leaders, academicians, representatives of consumer and environmental groups, views of the person-on-the-street, and archived news broadcasts and speeches.

Wednesdays at 8:30 a.m. in June, on KUNM 89.9 FM.

KUNM is public radio, broadcasting at 89.9 FM. KNME is the public television station, on Channel 5. Their phone number is 277-2121.

What was that song? To get information about a piece of music we’ve aired, first try calling the on-air programmer on the Request Line (277-5615) while the show is still in progress. However, programmers cannot always answer the phone during the show.

If you don’t get through, note the day, date and time, and description of the piece. Try calling the Request Line again as soon as the program ends. Or, call the KUNM Music Department later. We may be able to reference the play list (if you provide the date and time) and identify the piece.

- To submit your own recorded music for possible air play, 277-8018; mail attn: Music Dept.
- To schedule music-related interviews, send email to kunmmus@unm.edu, or call 277-8018.

Listener Support/Membership
Fully half of KUNM's annual operating funds come from listener contributions. We suggest a $60 annual contribution. A basic one-year membership is $40; $20 for students/seniors. We welcome your contributions in any amount. Make your check payable to KUNM and mail to: KUNM Membership, Oñate Hall, UNM, Albuquerque, NM 87131-1011. Or, call 277-3968. You can also pledge online at kunm.org.

Business Support/Underwriting
Your company can support KUNM with a tax-deductible contribution. 26% of KUNM’s annual operating revenue comes from business contributors. It’s called underwriting, and these gifts are acknowledged with on-air messages that include the business name, a value-neutral description, and location. For details, call 277-3969 or 277-2163.

KUNM Caretaker Club
One of the best and most efficient ways to support KUNM is through monthly bank transfers. Once you’re enrolled in our Caretaker Club, your bank does all the work, transferring your contribution directly to KUNM each month. Transfers continue until you request that they stop, so no annual renewal is required. Suggested monthly minimum is $5. To request an enrollment form, call 277-3968.

UNM Payroll Deductions
Employees of the University of New Mexico may contribute to KUNM via monthly payroll deductions. For information, call 277-3968.

Employer Matching Gifts
Many companies will match their employees’ contributions to KUNM. To find out if your employer participates, see your Human Resources Department, check online at kunm.org, or call KUNM at 277-3968. To secure a matching gift, simply obtain a matching gift form from your employer (usually from Human Resources), complete it, and send it to KUNM along with your contribution.

Non-Profit Paid Announcements (NPAs)
- Any tax-exempt non-profit (501c3) organization may purchase Non-Profit Paid Announcements on KUNM.
- Cost is $20 per announcement, with a minimum purchase of 12 announcements. (Price subject to change.)
- Announcements are 30 seconds long, and are scheduled on a rotational basis; exact placement is not guaranteed.
- Descriptive, promotional language is acceptable, but the tone of the spot must be compatible with KUNM’s non-commercial character.
- All announcements are produced at KUNM, using KUNM voice talent; there is no additional charge for production.
- Announcements may promote a benefit or fund-raising event, but the message itself may not contain specific fund-raising appeals.
- Announcements may not promote a candidate for political office, and may not advocate a position on any issue of public importance.
- Approved copy must be submitted at least three working days prior to the first air date.
- For further information, call 277-2163 or 277-3969.
Public Service Announcements (PSAs)

Non-profit organizations, individuals, and businesses from across New Mexico may submit an announcement for possible airing on KUNM.

We prefer that you use our website — kunm.org — to submit your announcement; check for the PSA link on our homepage. Or you can e-mail your announcement to kunmpsa@unm.edu.

If you do not have internet access you may fax (277-8919) or mail your announcement to KUNM PSA, Oñate Hall, UNM, Albuquerque, NM 87131-1011.

If your announcement relates to a music performance, send the information to kunmmmus@unm.edu or call the KUNM Music Department at 277-8018.

If you believe your announcement might be of interest to the KUNM News Department, please send an additional announcement to kunmnnews@unm.edu or call 277-8016.

Please submit your announcement at least two weeks in advance of your event.

We prefer that you keep all information as concise as possible. We often have only 30 seconds for public service announcements. We prefer the "who, what, when, where" format with a brief (50 word) description.

All PSAs submitted to KUNM must contain a contact name and telephone number. You can also include your organization’s website if applicable.

Your announcement will be available to KUNM program hosts, to be read live at their discretion.

Due to the volume of announcements received, we cannot guarantee that your announcement will be aired.

We will do our very best to serve the community.

This year, we hope to build a calendar-database for public service announcements at the kunm.org website. This will feature every PSA received at KUNM and will evolve to become a database to showcase non-profit organizations in New Mexico. KUNM encourages you to use the kunm.org website to submit your PSA. Stay tuned for further developments at kunm.org.

Deffenbacher-Krall was invited to give the keynote address at the recent “Healing Health Care in New Mexico” summit. The discussion begins with single-payer health insurance plans, their benefits, and why Deffenbacher-Krall believes that “single-payer” is the only feasible means to achieve universal health care coverage. Deffenbacher-Krall, whose true love is political organization, then discusses the background behind the legislative success in Maine, including years of grass-roots organization and campaign finance reform. Finally, certain concerns about single-payer, such as the current under-funding of the system in Canada, are discussed. Produced with the assistance of Todd Lovato.

Language advisory; listener discretion is advised.
